Dear Dyersville City Council,

The Dyersville Area Chamber of Commerce Board of Directors would like to express their support for the ATV/UTV usage within Dyersville City limits. Working with the City of Dyersville, Police and Delaware & Dubuque Counties, rules, route and safety precautions can be established.

It is obvious that COVID-19 has taken a financial toll on local businesses in our area. This additional traffic can provide the opportunity for those ATV/UTV drivers and riders to patronize local businesses. It is our understanding that majority of the ATV/UTV group rides happen on weekends which will help with parking as many service businesses downtown are closed on weekends or close mid-day.

We believe that a collaboration of efforts can be made with the necessary entities to come up with a safe and feasible plan. Thank you for your consideration.

Sincerely,

Karla Thompson, Executive Director
Dyersville Area Chamber of Commerce
