

To Whom it May Concern:

I, the owner of D.F.R. / Dyersville Family Restaurant think it's in the town's best interest to open up the ATV/UTV Usage in the city limits of Dyersville to help profit the revenue to my business.

- Riders coming to town will be looking for a place to eat & rest. We need people outside of our town to patronize our local businesses

Respectfully signed,

Business Owner
