Solid Waste Container and Dumpster Application

Chapter 105.09 of City Code: No solid waste containers or dumpsters shall be placed upon any street, alley, or traffic way without the expressed authorization of the Police Chief or designee. Any solid waste container or dumpster that is allowed to temporarily sit on a public street, alley, or traffic right-of-way, must be clearly visible and marked with reflective tape, reflectors, or lights. Solid waste collection containers or dumpsters may be required to be indicated by the use of barricades or warning cones.
