Scheduling: This year the scheduling will be handled by Farley for both baseball and softball. Last year Farley did only baseball and Epworth did softball but having different people do the schedules created too much conflict for the fields when the schedules came out. Farley volunteered to take on both to be able to schedule both leagues with fewer conflicts arising. The season will start the week of May 2nd.

Rule Changes:

Divisions B-D has changed the runs allowed per inning to 5 with the final inning of the game to be open. All lead off rules and stealing rules for all divisions were discussed but no changes were made.

Standings: This year it was discussed if we should keep the standings for the league. After discussing the issue it was decided that keeping the standings would just cause conflict and take away from the meaning of this league.

Fall Meeting: The Fall meeting was canceled last year due to lack of interest. After discussion it was decided that we need to have a meeting after the season to discuss the issues of the year. The Fall meeting has been set for July 20th at Peosta Community Center 6:00pm.

Adjourn: 7:00pm
