Days each level play:

-Will remain the same as last year, B/D will play Mondays and A/C will play Thursdays.

-Will address and vote at fall meeting to move one league to Wednesday's due to scheduling conflicts. Did not want to change this year since towns told their parent already days they will be playing.

League Member Comments:

-Peosta was wondering about getting players from a different league teams (only if needed) for tournaments. Was decided to contact tournament director to get permission to do this. Subs cannot pitch.

-Farley suggested having an entry fee for tournaments and not charging coaches and players at the gate. This will allow the towns to generate more income from their tournaments. Since signup already taken place and didn't budget this into the year, we will discuss this at the fall meeting.
